Excisions: Excisions Recommended And Made

Reasons for excisions:

Two excisions are required to remove scenes that result in the publication promoting and supporting the use of violence to compel women to participate in, or submit to, sexual conduct under s3(2)(b) of the FVPC Act. The distributor agreed to the recommended excisions and an excised version of the publication was submitted to the Classification Office. A small amount of material that was to have been removed by the first excision was left in due to the way the excised version was edited by the distributor, but on its own this material is non-problematic.
